MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Science and Technology

FROM: Robert M. Gates
Deputy Director for Intelligence

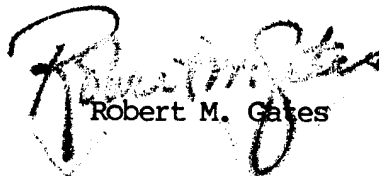

SUBJECT: Task Force on Scientific Computing

1. As requested in the Comptroller's memorandum of 15 February on proposed FY87 initiatives, I am establishing a task force to look at the scientific computing issue. Chief, ASG/DI will chair this group, which will address (1) immediate logistical issues associated with the introduction of a Class VI machine (such as a CRAY) into the Agency's central computer system and (2) the longer-term requirements for scientific computing at CIA.

2. To help with this effort, I would like you to identify a representative from the offices listed below. In some cases, we have suggested possible candidates based on the individual's prior interest in scientific computing. Feel free, of course, to add or delete offices (or individuals) from the list.

	OL		
DS&T			25X1
	OD&E		25X1
	OSO		
	ORD		25X1

3. We would like to schedule the first task force meeting for early March. Please have your representatives contact as soon as possible.
